<b>Case clinician</b>	
<b>Practice address</b> (Please use a stamp if available)	
<b>Telephone</b>	
<b>Fax</b>	
<b>e-mail (case clinician)</b>	
<b>e-mail (practice)</b>	
<b>Today's date</b>	

## What Happens Next?

- we'll call you to confirm we have received your referral (if you haven't heard from us please check we've received it)
- we'll contact your client to confirm we've received the referral
- we'll hold telephone consultations with your client to discuss all aspects including what to expect from radio-iodine, the specifics of their own cat and radiation safety
- once an appointment has been arranged we'll write to you to confirm the date and any pre-appointment tests / investigations we require.
